God the Father made the first man and called him Adan, the first women He named Eve. He propose them a plan. They failed and disobey.

MARY

Then God the Father, who knows and can do everything, had a new plan: He will send His Son to the world and will make peace with men, God, the Father thought to give Him a wonderful mother.

And God created Mary. A women with all beauty of the first woman, a new Eve without the sin of our first fathers. This is why she is called Immaculate, Without sin.

If you pour water in a glass, you will see, when it is full, it can easily spill. So to say that Mary is full of grace is like saying that Mary is full of God.
All in Mary shows that the love God has for us, has no measure.

YES

The difference between Mary and Eve is that Eve said No to God and Mary always said Yes.
This is the same difference between sin and grace.

you will become pregnant and give birth to a Son and you will name him
JESUS

One day as she was praying, heard the voice of the angel Gabriel who salute her:
"Rejoice full of grace the Lord is with you"

Why was she chosen to be the Mother of Jesus if she was not married and she had given her heart complete to the Lord?
The angel told her: "Don't be afraid, Mary, God has been gracious to you"

Then the angel Gabriel said the Holy Spirit will rest upon you, and God's power will rest upon you. For this reason the holy child will be called the Son of God.

In a stable Mary gave birth the Son of God. She wrapped Him in swaddling clothes and laid Him a manger.
